24-HOUR CENTRAL IOWA CRISIS LINE 844-258-8858

A crisis is any stress or pressure
that has become too great for
you to cope with alone.

SERVICES AVAILABLE AT NO COST

Service Coordination – Meetings with a social worker who will help you find and apply for programs and services to reach your goals.

Community Drop-In Centers – A place to gather with others to relax, learn, socialize, or participate in activities.

Crisis Line – Support on the telephone, anytime day or night, for people looking for help with their emotions or mental health.

Crisis Psychiatry – Appointments reserved by CICS for people experiencing a crisis with their psychiatric medication.

Crisis Therapy – Appointments reserved by CICS for people experiencing a crisis that they would like to speak to a therapist about.

Crisis Stabilization – A place to stay during a mental health crisis. Private rooms are provided, as well as therapy, medication evaluation and help making a plan for when you are ready to leave.

Psychiatry While In Jail – Psychiatry appointments are available to those in jail within the CICS region.

SERVICES THAT MAY HAVE A FEE

Outpatient Services

Non-Crisis Psychiatry – Service coordinators have information available about psychiatrists where you live. They can help you set up an appointment.

Non-Crisis Therapy – Service Coordinators have information available about therapists in your area. They can help you set up an appointment.

Housing Supports

Transitional Living Centers – A place to live when you need time and support to develop a new plan.

Supported Community Living – Assistance with learning skills such as cooking, cleaning and money management. These skills are taught one on one, in your home and in the community.

Residential Care Facilities – A place to live with a group of people when there is not enough support for you to live alone.

Short-Term Rental and Utilities Assistance – Help paying your rent and utilities in a time of crisis.

Work Supports

Supported Employment – Help with the entire job-finding process, as well as support after you are hired.

Pre-Vocational Training – Help to build skills so that you are ready for the job-finding process.

Group Employment Training – Opportunity to build on-the-job skills in a group setting to prepare you for a job on your own.

Other Services

Transportation – Public transit to do essential shopping, receive medical services, go to work and reduce social isolation.

Home Health Aides – Services that provide personal care, including help to bathe, get in and out of bed and exercise.

Intensive Psychiatric Rehabilitation – Services designed to prevent or reduce the need for services in a hospital or residential setting, and to promote recovery.

Mental Health Advocate – An individual who helps people who are under a court commitment for mental health.

Respite – Support for the caregiver to provide temporary relief for individuals and their families.

Each county has a service coordinator that will help you find and apply for programs and services to reach your goals. CICS may also be able to pay for services.
